

PIAIC QUARTER 01

TASK 02:

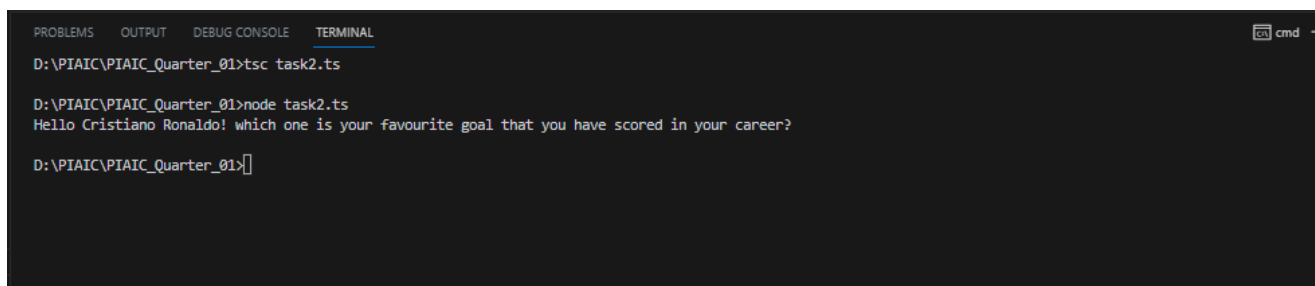

In Task 2, I have initialize variable having footballer_name, concatenate that variable with message, and print it in console.

CODE:

```
TS task2.ts > ...
1 // initialize the variable and assign it a value
2 var footballer_name="Cristiano Ronaldo";
3 console.log("Hello "+footballer_name+"! which one is your favourite goal that you have scored in your career?");
4 // here + sign used to concate the variable with the text
5 |
```

OUTPUT:

```
PROBLEMS OUTPUT DEBUG CONSOLE TERMINAL
D:\PIAIC\PIAIC_Quarter_01>tsc task2.ts

D:\PIAIC\PIAIC_Quarter_01>node task2.ts
Hello Cristiano Ronaldo! which one is your favourite goal that you have scored in your career?
